[GitHub Repository](#) | [Portfolio](#)

### Career objective:

Front-End Developer skilled in JavaScript, React.js, and Tailwind CSS with hands-on experience in backend development using Express.js and MongoDB. Completed 3+ full-stack projects using the MERN stack. Seeking a full-time role to build scalable web applications and contribute to a growth-focused engineering team.

### Skills:

**Frontend:** JavaScript (ES6+) | [React.js](#) | HTML5 | CSS3 | Tailwind CSS

**Backend:** [Node.js](#) | [Express.js](#) | MongoDB

**Tools & Others:** Git, GitHub, Firebase, REST API, JWT Authentication, React Router, Figma, Netlify, Vercel

**Concepts:** CRUD operations, API integration, Responsive Design, Component Architecture, Adaptability

### Projects:

**Project Name:** StudySphere (Assignment Management System)

**Overview:** StudySphere is a secure assignment management app with features like filtering, grading, and feedback built using React, Express.js, MongoDB, and Firebase.

**Tech Stack:** JavaScript, [React.js](#), Tailwind CSS, DaisyUI, [Express.js](#), MongoDB, JWT, Firebase Auth

**Project Link:** [Live Demo](#) | [Client repo](#) | [Server repo](#)

#### Key Features:

- Users can Create, Update, and Delete assignments
- Dynamic filtering, sorting, and searching of assignments
- Users can give marks and feedback on others pending assignments
- Used JWT for secure role-based access, reducing unauthorized actions by 100%

**Project Name:** GardenHub (Gardening Social Platform)

**Overview:** Garden Hub is a MERN stack app where users can share tips, take quizzes, and access a personal dashboard, with secure login via Firebase Auth.

**Tech Stack:** JavaScript, [React.js](#), Tailwind CSS, DaisyUI, [Express.js](#), MongoDB, Firebase Auth

**Project Link:** [Live Demo](#) | [Client repo](#) | [Server repo](#)

#### Key Features:

- Implemented trending Tips based on likes highlight popular and useful content.
- Built interactive quizzes to boost user engagement.
- Developed a user dashboard with personal data insights.

### Education:

Comilla Govt. Polytechnic Institute

Diploma in Engineering

Computer Science & Technology

Duration: 2022 – Present (Expected: Late 2025)

**Languages:** Bangla (Native), English (Intermediate)
